

Health Career Exploration Camp

Northwest Illinois Area Health Education Center is excited to announce the 2012 Health Career Exploration Camp. The 2012 AHEC Health Career Exploration Camp is open to students entering grades 9-12 during the 2012-2013 school year. The function of this camps is to provide high school students with a chance to learn about the opportunities available in health professions and how to pursue them. Through a decision making workshop students will be exposed to tools to help them with money management, time management, interview skills, and goal setting skills. Students will also receive information about education and academic requirements, college admissions, and financial aid.
