## Making Strides Against Breast Cancer

### WHAT:

### WHEN:

### WHERE:

### WHO:

Making Strides Against Breast Cancer events bring together people who want to make a difference in the fight against breast cancer. People walk as individuals or on teams with family, friends, and coworkers. Event volunteers help with registration, logistics, and participant support.

### WHY:

Making Strides events celebrate and honor breast cancer survivors and caregivers; educate the public about prevention and detection to reduce risk of the disease; and raise funds to help end breast cancer. Last year, nearly 1.2 million Making Strides walkers turned awareness into action by helping to raise more than \$60 million for the American Cancer Society to help save lives from breast cancer.

### T-SHIRTS:

### HOW:

### YOUR DOLLARS AT WORK:

Thanks to Making Strides supporters, the American Cancer Society is able to fund groundbreaking breast cancer research to better understand, prevent, find, and treat the disease; provide comprehensive information and services to patients, survivors, and caregivers; and ensure access to mammograms for women who need them.

We **save lives** and create more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back.
